

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0001	Login Page	The login page does not contain captcha field	1) goto website https://www.saucedemo.com/ 2) Observe the login page	Low	Low	Vignesh Vinod	New
SWLBR_0002	Login Page	The user has the option to login with only Userid, not with other choices like mailid, mobile number etc...	1) goto website https://www.saucedemo.com/ 2) Observe the login page	Low	Low	Vignesh Vinod	New
SWLBR_0003	Login Page	The show password option is not present	1) goto website https://www.saucedemo.com/ 2) Observe the login page	High	Low	Vignesh Vinod	New
SWLBR_0004	Login Page	The input fields and buttons does have hover transition effect enable	1) goto website https://www.saucedemo.com/ 2) Observe the login page	Low	Low	Vignesh Vinod	New
SWLBR_0005	Login Page	The page does not contain banner and the header provided is in normal font format	1) goto website https://www.saucedemo.com/ 2) Observe the login page	High	Low	Vignesh Vinod	New
SWLBR_0006	Login Page	The user is not able to login to the account with given Username:locked_out_user and with given Password:secret_sauce, showing error 'the user has been locked out'	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6)Observe the results	High	High	Vignesh Vinod	New
SWLBR_0007	Login Page	The user account 'performance_glitch_user' generates a delay in redirecting to the user page	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6)Observe the results	High	High	Vignesh Vinod	New
SWLBR_0008	Login Page	when login with given valid userid and invalid password "The error message box is not aligned properly and cannot able to read what exactly the error says	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Invalid Password 5) Select Login 6)Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0009	product page	The hover transition effect is not active in the cart icon	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6)Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0010	product page	When clicking on the expand icon of filter menu no response is generated but when clicking on the field, that expands the options	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select filter 7)Observe the results	Low	Low	Vignesh Vinod	New

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0011	product page	There is no button to increase the quantity of selected product	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	High	Vignesh Vinod	New
SWLBR_0012	product page	The page does not contain the option to change currency format	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0013	product page	The description of each product is not aligned properly	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0014	product page	The page does not display the name of user logged in	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0015	product page	The page Does not contain User profile section	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0016	product page	The page does not contain Add to Wishlist Option	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0017	product page	The dpage does not contain search bar	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	High	Low	Vignesh Vinod	New

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0018	product page	The timeout option enabled is getting the user logged out too fast	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Observe the results	Low	High	Vignesh Vinod	New
SWLBR_0019	product page	when selecting the Reset App State option in the dropdown menu Only the cart is getting cleared ,the selected add to cart in product page is not becoming in its default condition"	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Add to cart 7) Select Reset App State 6) Observe the results	Low	High	Vignesh Vinod	New
SWLBR_0020	Product Detail Page	The product image size is not aligned properly	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0021	Product Detail Page	There is no button to increase the quantity of product	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0022	Product Detail Page	The page does not shows available stock quantity	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	Low	High	Vignesh Vinod	New
SWLBR_0023	Product Detail Page	The page does not contains Buy now option	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	High	Low	Vignesh Vinod	New

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0024	Product Detail Page	The user Can't select the image	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0025	Product Detail Page	The Add to cart button does not have transition effect	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0026	Cart Page	There is no button to increase or decrease the quantity of product	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0027	Cart Page	Does not contain image of the products	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0028	Cart Page	when selecting checkout with empty cart list NO error message is displayed and the page is redirecting to informtaion page without cart items	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Cart 7) Select Checkout 8) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0029	Cart Page	The buttons does not have hover transition enabled	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	Low	Low	Vignesh Vinod	New

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0030	Cart Page	The page does not contain 'save for later' option	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0031	Cart Page	The page does not display any message when cart is empty	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Cart 7) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0032	Cart Page	The page does not shows the total number of products	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0033	Cart Page	The page does not displays the total amount of the selected products	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select Product 7) Select Cart 8) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0034	Checkout: Address page	The page header is not neatly aligned	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select product 7) Select Cart 8) Select Checkout 9) Observe the results	Low	Low	Vignesh Vinod	New

PROJECT NAME: SWAG_LAB_BUG REPORT

Bug ID	Module Name	Bug_Description	Steps to reproduce	Priority	Severity	Reported By	Status
SWLBR_0035	Checkout: Address page	The page does not have fields for address, mobile number, landmark	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select product 7) Select Cart 8) Select Checkout 9) Observe the results	High	Low	Vignesh Vinod	New
SWLBR_0036	Checkout: Address page	The page does not contain the transition effect for buttons and fields	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select product 7) Select Cart 8) Select Checkout 9) Observe the results	Low	Low	Vignesh Vinod	New
SWLBR_0037	Checkout: Address page	The pincode entered in text format is accepted	1) goto website https://www.saucedemo.com/ 2) Observe the login page 3) Enter Username 4) Enter Password 5) Select Login 6) Select product 7) Select Cart 8) Select Checkout 9) Enter first and last name 10) Enter text for pincode 11) Observe the results	High	Low	Vignesh Vinod	New
